

Volunteer with Us

Are you a good listener, reliable, approachable, caring?

Would you like to make a difference and enable vulnerable people to have a voice?

seAp Advocacy is looking for volunteers to help support people to exercise their right to be heard, express their views, wishes and feelings and obtain the help they need.

We currently have the following volunteering opportunities:

- Community support for people unhappy with their NHS care or treatment and wanting to make a complaint
- Support on housing, benefits and employment issues for those detained in hospital on a Mental Health Section (Bodmin or Redruth)
- Regular visiting of people on a DoLS (Deprivation of Liberty Safeguards) order

We provide training, expenses, working with others passionate about what they do and the opportunity to gain a nationally recognised Advocacy qualification.

For further information please contact:
